numerous great thinkers have believed in the transmigration of the soul general patton gandhi henry ford the dalai lama all discussed memories of or beliefs in having past lives the great philosophers pythagoras socrates plato aristotle and even saint augustine believed in the rebirth of the soul awakening of a warrior is the result of jaco s investigation his treasure hunt into the lifetimes he experienced before the present included are his lives as king abimelech of gerar who allied with abraham in the creation of a new religion called judaism cyrus the great who unified all of persia and implemented zoroastrianism as the state religion and marcus furius camillus who came to be considered the second founder of rome

unlock your inner truth and navigate the galactic landscape in awakening the truth frequency lara eisenhower unveils a guide for spiritual seekers navigating a world of deception explore galactic history overcome adversity and reclaim your sovereignty discover how to connect with your divine blueprint and embody the christ sophia consciousness this book offers tools for personal transformation and understanding the influence of extraterrestrial forces learn to embrace unity consciousness activate your dna heal ancestral lines navigate planetary grids for those ready to remember grow and embody their authentic self lara eisenhower offers a path to navigate the matrix and awaken the truth frequency

secrets of antarctica will reveal brad olsen s exploration and firsthand experience with this strange continent the book will question the possibility of a lost continent and visit the land of the patagonia giants next are the age of exploration maps depicting the ice continent centuries before antarctica was officially discovered new swabia neuschwabenland was a territorial claim made by nazi germany in the late 1930s admiral richard byrd led operation highjump to confront the nazi base there and to recover a nazi flying disc admiral byrd spoke of flying objects that could fly from pole to pole at incredible speeds

nothing in this world works the way you think it does there is always more to the story be aware that there is a war for your mind and your soul corporations have taken over governments in a new form of fascism that now incorporates high technology and artificial intelligence the survival of the human race may depend on breaking the embargo of truth and collectively developing an Ü bermind but truth always resonates beyond esoteric takes off the kids gloves and exposes the control grid extending its tentacles across the planet the word occult means nothing more than to study the realm of the hidden so much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know everything we think we know about the world and the universe in which we live whatever we have been led to believe concerning the course of human history could very well be completely wrong distorted and misinformed the 19th century teachers of the occult could never have imagined escaping prison planet of the 21st century we now face one that extends far beyond esoteric

how did the author of the gospel of luke intend it to be read in the spiral gospel rob james shows that the assumptions many modern readers bring to the text that it claims to be historically factual or merely regurgitates existing stories are not those of antiquity building

on the central insight that it was written for a community who would have used it as their pre eminent text james argues convincingly for a continuous cyclical reading of luke s narrative the evidence for this view and also its consequences can be seen in the gospel s intratextuality context is given at the end of the gospel that informs the beginning and there are countless other intratextual elements throughout the text that are most readily noticeable on a second or subsequent reading this deliberate creative interweaving on the author s part opens up new levels of appreciation and faith for those who read in the way luke s first audience received his work

from conflicts in panama to the wars in iraq and afghanistan navy seal michael jaco has employed his powers of perception and awareness to save his life and the lives of his fellow seals in the intuitive warrior jaco recounts the mentally and physically demanding training required of members of one of the most elite special forces units seal team six and how the intuition developed during that training can be learned and applied by anyone

the book of revelation captures the fullness of every biblical truth wrapped up in the person and glory of jesus christ it concludes the bible with the passing away of all that is old and the establishment of all that is new written to thrill and exhilarate the believer revelation is more than a manual of future events it unveils the coming king to our hearts it is for every church and every lover of god in every generation it is for us to understand and embrace today as much as the early churches did the well of the word beckons us to drink deeply not merely to seek answers but to discover the glory of jesus christ and to live fully in his splendor a joyous blessing rests upon the one who reads this message and upon those who hear and embrace the words of this prophecy for the appointed time is in your hands revelation 1 3

in this clearly written introduction to the latter half of the new testament lewis donelson begins by asking if we read this text in this way what voices do we hear such a reading strategy requires historical imagination because the documents are separated from us by time space language and culture it also requires making these texts conversation partners in our understanding about god and ourselves

the revelation of st john the last book of the canonical bible has been a mystery since it first appeared no other part of the bible has caused more controversy traditional interpretations of the book fall into one of three categories the major prophecies that are supposed

to have been fulfilled in the destruction of Jerusalem in 70 AD and the historical view that Revelation predicts the course of human events from the founding of Christianity to the end of the world or the futurist view that Revelation predicts events that will occur at the end of the world it is actually none of the above writes Zachary Lansdowne a leading expert in the field of spiritual initiation in the introduction to this rich and complex interpretation he writes according to its own verses the Revelation is concerned with the present time which is whatever time we happen to be reading it and contains information that we can apply immediately to become blessed this is not a book about end times or Armageddon and when it might come this is a book written entirely in symbols concealing a path for early Christians and for the contemporary reader Lansdowne has applied a unique psychological method of interpretation that takes each symbol as depicting some aspect of human consciousness rather than an eternal event thus showing that the Revelation is actually a detailed instruction for the spiritual journey a map to the wakening of higher consciousness moreover while the Revelation appears in the great lineage of Judeo-Christian tradition Lansdowne shows that its instruction can be appreciated and applied to seekers from any tradition Lansdowne's line by line and verse by verse interpretation presented here in an easy to read side by side format is a manual for the true seeker who would follow teachings of Jesus as they were and are laid out rather than as they have been interpreted by theologians and biblical historians the Revelation of St. John when unlocked by the key of psychological methodology is revealed to contain ideas from many diverse wisdom traditions and philosophies archangels in Judaism chakras and kundalini in Hinduism Buddhist mindfulness the redemptive power of love in Christianity and absolute standards of comparison in Platonic philosophy Zachary Lansdowne's revelatory text makes these teachings of the path to true soul initiation available to seekers from every spiritual tradition

the Revelation of John is one of the most mysterious and nevertheless highly topical books of the Bible from the pictures and symbols of the Revelation we learn that our earth and life upon it are not caused by coincidence in this regard the Revelation holds outstanding significance as a prophetic book for our present time in this book you will experience an exciting walk through the history of our world right up to the return of Jesus Christ

a redesign of a popular title chapter by chapter exposition of the book of Revelation with full color illustrations

John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation

moody magazine

finding hope through the revelation of jesus christ
