ebook sociology a brief introduction

richard schaefer s sociology matters is a very concise introduction to the discipline of sociology its straightforward style streamlined design and highly focused coverage make it the perfect short affordable introductory text for instructors who use a variety of materials in their course sociology matters helps students understand and connect to the topics it covers by answering the question how does sociology matter after more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in london and even a maximum security prison i am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills sociology can help students to better understand the workings of their own lives as well as of their society and other cultures richard t schaefer

this encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society

sociology in modules sixth edition bridges the essential sociological theories research and concepts and the everyday realities we all experience the program highlights the distinctive ways in which sociologists explore human social behavior and how their research findings can be used to help students think critically about the broader principles that guide their lives

sociology of death and the american indian examines dying death disposal and bereavement practices and applies those concepts to select american indian tribes historically and currently supplemented with oral histories the focus is that learning about other cultures can enhance the understanding of one s own culture by comparing traditional and modern societies gerry r cox addresses the centuries of

injustices committed against american indians that led to a neglect of learning about american indian cultures and attempts to fill the gaps in knowledge of american indian practices

three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills to that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books

schaefer sociology a brief introduction 7th canadian edition provides students with the tools they need to successfully navigate in today s social world the new edition offers a canadian perspective within a global context allowing students to examine the place of themselves and others in society the new edition has been completely updated with the canadian student in mind students will engage with content that features relevant social topics diverse examples and the latest canadian statistics research and data this resource is ideal for degree and diploma level introductory sociology courses or for any learner eager to explore the study of social worlds

this concise topical introduction to race and ethnicity in the u s explores prejudice discrimination immigration ethnicity and religion in their historical and current contexts based on the opening chapters of the best selling racial and ethnic groups this new edition covers the major topics that anchor courses in multiculturalism diversity and race and ethnic relations

the routledge handbook of methodologies in human geography is the defining reference for academics and postgraduate students seeking an advanced understanding of the debates methodological developments and methods transforming research in human geography divided into three sections part i reviews how the methods of contemporary human geography reflect the changing intellectual

history of human geography and events both within human geography and society in general in part ii authors critically appraise key methodological and theoretical challenges and opportunities that are shaping contemporary research in various parts of human geography contemporary directions within the discipline are elaborated on by established and emerging researchers who are leading ontological debates and the adoption of innovative methods in geographic research in part iii authors explore cross cutting methodological challenges and prompt questions about the values and goals underpinning geographical research work such as who are we engaging in our research who is our research for what are our relationships with communities contributors emphasize examples from their research and the research of others to reflect the fluid emotional and pragmatic realities of research this handbook captures key methodological developments and disciplinary influences emerging from the various sub disciplines of human geography

developed in collaboration with a multi disciplinary editorial board reading for the disciplines is a collection of short inter curricular essays drawn from popular magazines college texts and literary classics the readings are each three to six pages in length they were chosen with student interest in mind and include writings on today s issues as well as essays of perennial worth a complete apparatus encourages students to explore the issues stimulating them to respond to discipline specific as well as overall rhetorical concerns

this best selling comprehensive text shares the excitement of sociology with the acclaimed down to earth approach that highlights the sociology of everyday life the 8th edition of this highly regarded text retains all the features that have made previous editions so successful the author has a unique ability to engage students without sacrificing content or talking down to them with wit personal reflection and illuminating examples henslin shares his passion for sociology with his readers like no other author of an introductory text can
